A Call for Service is when a caller reports activity requiring the involvement of a police department member or when a member is assigned to a call. Calls for Service do not represent lists of crimes or crime reports. Calls are coded as they are received and assigned to a member. The included data represents, in part, a list of assignments, incidents and observed offenses for the calendar year noted above.

The Augusta Police Department makes every effort to produce and publish current and accurate information. The services provided are for comparison and informational purposes only and should not be relied on for any type of legal action. [Daily Call Logs.](#)
